

***Full-Time Faculty Invitation* Faculty Positions (Assistant/ Associate/ Full-Professor) in the Department of Mechanical Engineering, Chang Gung University, Taiwan.**

The Department of Mechanical Engineering at Chang Gung University (CGU) invites international applications for full-time assistant, associate, and full professors with start dates August 2024. There are 2 to 3 positions to be filled, and possibly more if exceptionally qualified candidates are received. The preferred instructional language is English. Chang Gung University is an equal opportunity employer following the international standard for diversity and inclusion. Applicants from all regions and nationalities are welcome.

1. We are looking for:

Both junior and senior faculty members with a Ph.D. in Biomechanical Engineering, Robotics, Smart Manufacturing, Mechatronics, or Medical Engineering. Deep Learning applications in the abovementioned research areas are a plus.

2. Application Deadline: December 31, 2023.

3. Starting Date of the positions: August 1, 2024 (Please indicate your preferred starting date in the cover letter)

4. CGU offers an internationally competitive compensation package commensurate with the candidate's professional experience.

5. Application documents:

- (1) Cover letter (max. one page)
- (2) CV with higher education degrees (undergraduate to Ph.D.), professional experiences, research statement, detailed publications, future courses you intend to teach (if any), and a list of 3 professional references.

Please submit your application in PDF files or a cloud storage link with the email subject "Apply to Faculty Position in CGU Dept. of Mechanical Engineering (Applicant's name)" to Miss Chia-Hsin Lin, Office of Personnel, Chang Gung University, Email: chiahsin@mail.cgu.edu.tw.

5. Interviews:

(1) Application materials will be reviewed on a first-come, first-served basis. The interview date/time will be set promptly if an application has received a favorable review.

(2) Online interviews may be arranged upon request.

About Chang Gung University (CGU), Taiwan

Chang Gung University (CGU), a contemporary and research-directed university with an entrepreneurial spirit, was established by the founding Wang family of the Formosa Plastics Group. CGU is ranked globally in the QS World Universities Rankings 2023 and in the top 5 among the 151 universities in Taiwan. CGU has four colleges: College of Medicine, College of Engineering, College of Management, and College of Intelligent Computing. CGU offers a student-faculty ratio of 11:1, with 6,805 students, 603 full-time faculty, and 692 adjunct faculty members. The University strives for excellence in research, teaching, and innovative technology commercialization. Under close ties with the Formosa Plastics Group and the Chang Gung Medical Foundation (the largest private-owned hospital system in Taiwan), CGU enjoys abundant research resources on manufacturing and medical services and has established itself as a top-class university that prepares its graduates for personal and professional success. CGU is located in the suburban area of Taipei city, about 30 minutes from the city center by Metro (Mass Rapid Transit).
